

# Montevecchia and Curone Valley Regional Park 2012 guided visits

organised by the Park Rangers (GEV)

All year round the "Guardie Ecologiche Volontarie" (GEV) of the Park organise guided visits to the most beautiful and interesting spots in the protected area. To obtain additional information call Friday night from 21.00 to 22.30 to Centro Parco Ca' Soldato phone 039.5311275 or send an email to [gev.curone@libero.it](mailto:gev.curone@libero.it). To take part in the Guided Visits a small contribution of 3 Euro/person is requested (children free) and it is strongly recommended to book by phone on Friday calling Cà Soldato after 21.00 or sending an email. Proper tracking clothes and shoes are always recommended. The Park Rangers are also available to organise specific guided tours for groups.

Sunday 22 January 2011

## Cascina Ceregallo

Perego, Nunnery of Bernaga car park – at 9.00

A winter outing to discover one of the most beautiful farmhouse which with the near-by small Church, wash-house and surrounding fields has been recently included territory. the Park.

Sunday 19 February 2011

## Tracks

Montevecchia Cà Soldato car park, at 9.00

A morning spent discovering hidden and hard to decipher traces and learning which animals crossed our path before we arrived. Discovering too that, close by us and unknown to us, there is a whole living world.

Sunday 1 April 2012

## Up hill and down dale

Montevecchia, Cascina Butto, ore 9.00

All day trekking for keen hikers to visit much of the Park's hilly territory. Packed lunch.

Sunday 22 April 2012

## The silent language of the flowers

Perego, Park Graveyard, at 9.00

Flowers seduce the pollinating insects, defend themselves from predators, fight for food and space... An excursion that will provide the opportunity to better know the extraordinary behaviour of these living creatures.

Sunday 6 May 2012

Perego, Frigola car park, ore 9.00

## Getting to know and recognise trees

Rovagnate, località Monte, park. Church at 9.00

Armed with simple identification codes we will be challenged to recognize trees and bushes we will meet along our path. A game to trigger our curiosity and an excuse for some discussion

Sunday 27 May 2012

## Nests of plumes, nests of feathers

Montevecchia, Ca' Soldato – at 9.00

Carefully and respectfully from nest to nest we will discover preferences and abilities of the small builders of nests in our woods.

Sunday 10 June 2012

## Cultural and sportive Mountain-bike excursion

Cernusco Lombardone, Railway car park.

Depart on arrival of 8.32 train

Going via Cascina Butto we will reach the Montevecchia Sanctuary Villa Agnesi and the little Church of San Bernardo. We will be met by cultural guides who will open the places especially for us. We will then continue to reach Cà Soldato. Check the details on [www.gevcurone.it](http://www.gevcurone.it) a week or two before the event.

(Helmet compulsory A maximum of 30 participants will be accepted)

Domenica 1 luglio 2012

## The route of the flavours in the Curone Valley

Rovagnate, park via Spiazzo - at 9.00

A new oenogastronomical excursion from farmhouse to farmhouse via ancient routes in the Curone Valley to taste the flavours of the typical products of the Park.

(contribution to be defined booking is essential)

Saturday 21 July 2012

## Creatures of the night

Montevecchia, Ca' Soldato at 21.00

It will be fascinating to discover the animals living in the dark, perceive their movements listen to their calls while surrounded by the silence of the night.

Sabato 11 agosto 2012

## Catch a falling star

Montevecchia, Cascina Butto, at 21.00

The most classic of the guided tours and this year the observations will be from the natural terrace of the Park Head Office at Cascina Butto and if the night is clear we will see the sky lights and the lights of the valley.

Sunday 2 September 2012

## Micro-safari at the dry meadows

Montevecchia, Ca' Soldato car park, at 9.00

Discovering coleopters, butterflies, grasshoppers and whatever we will come across while we cross the fields. With the help of easy instruments we will investigate life in the dry meadows of the terraced hill of "Cypress Hill"

Sunday 9 September 2012
